Exam Preparation on the 2017 NEC® *Designed for Electricians in Texas*

This is a course designed to prepare the Electricians in Texas to take the state license exam. Our exam preparation seminars are very fast paced and cover Electrical Theory, Ohms Law, the 2017 NEC® and Code Calculations. Sample exam practice questions will be provided at each class for homework then reviewed at the next scheduled class meeting.

Students will need a 2017 code book, calculator and highlighter pens.
